PETITIONER'S REQUEST FOR EXTENSION OF TIME TO FILE REQUEST FOR REVIEW

Petitioner requests a 3-week extension for the filing of exceptions in the above captioned case. The exceptions are currently due on June 10, 2011 and the extension, if granted, would make the exceptions due on July 1. The basis for the request for extension is that the Petitioner's attorney, Glenn Taubman, has been called out of town for a family medical emergency. It is not anticipated that he will return or be in a position to do the exceptions for the next several weeks. Another attorney in Mr. Taubman's office will do the exceptions but will need time to review the case.

The attorney likely to do the exceptions, John Scully, has several pre-scheduled obligations, such as: 1) a position paper due today, June 7; 2) an amended unfair labor practice charge that must be filed on or about June 9; 3) travel to New Orleans June 13-15 to meet with clients, attend the taking of a statement, and meeting with others about a decertification election , 4) out of the office June 20-21 on personal business; and 5) must file a brief to the Board on June 28 in the case of DECO-AKAL, JV, Case 28-CA-21082 and Case 28-CB-6508. Those obligations, combined with routine work, the anticipated filing of several other unfair labor practice charges and the need to

familiarize himself with the above captioned case will prevent Mr. Scully from filing the request for review prior to July 1, 2011.

Petitioner asks that the date to file a Request for Review be extended to July 1, 2011.

Dated this 8th day of June, 2011.

Respectfully submitted,

/s/
